Congratulations Class Of '78

I am sure that in the years ahead you will look back over this book and recall many happy associations with classmates and instructors. To some, this book will recall the games you won or almost won, to others their duties as class officers, and still to others their successes as members of FFA teams.

During the past four years you have had the unique educational opportunity to spend half the year in a classroom situation and the other half on an employment project. This combination should prove invaluable to you in the years to come.

Even though you have graduated, you will always be a member of the Essex family. If any of us can be of help in the future, please be sure to call upon us.

I wish each of you success in your chosen careers and personal happiness in the years ahead.

Raymond F Potter

Director

To The Class Of '78

Looking back over the last four years, this class has achieved outstanding records of education and school leadership. It is a class which has shown its strong interest in agriculture through its sincere determination.

This is one of the largest classes to complete courses of instruction in the various areas of study. A great dispersal is about to take place - some to other institutions for further education, some into employment, and others into the armed services.

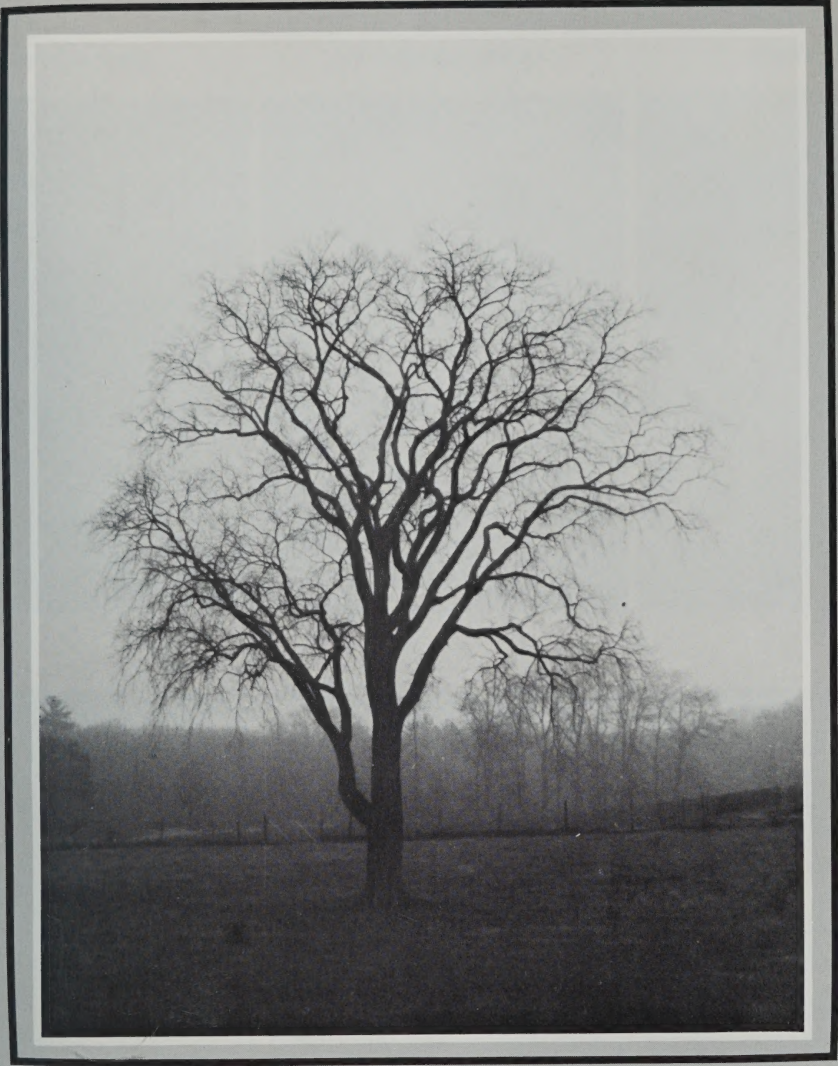

Whichever direction each shall take, I wish each of you the greatest success and happiness in the years to come.

Soccer Team

1978 was the best year yet for the Aggie soccer team. With the determination of Coach Zisis, great team effort, and a lot of spirit, the Rams ended the season undefeated in the Cape Ann Junior Varsity League. The record shows an outstanding, overall Tally of eight wins, one tie, and no losses.

John LeBrun, a new forward line-man, contributed a great effort in leading the team from one victory to another. With outstanding goal tending by Randy Bourgeois and support from Capts. Gaudette and Willis, the team was bound from the start to be a winner.

Next year's team faces the loss of the following Seniors: Jim Willis, Phil Gaudette, Steve Martin, Hans Mertsch, Dave Sheehan, Debbie Godjikian, Randy Bourgeois, and Peter Walters.

Front row L to R: R. Hesson, D. Brown, W. Lawnsby, K. Weaver, R. Valentine, E. Noll, D. Godjikian, B. Denault; Second Row: J. LeBrun, B. Davis, R. Bourgeois, T. Blair, K. Sanford, S. Martin, B. Christman, R. Levesque; Back row: M. Nelson, P. Walters, D. Sheehan, K. Shumacker, H. Mertsch, J. Hebert, Capt. Gaudette, Coach Zisis

X-Country Team

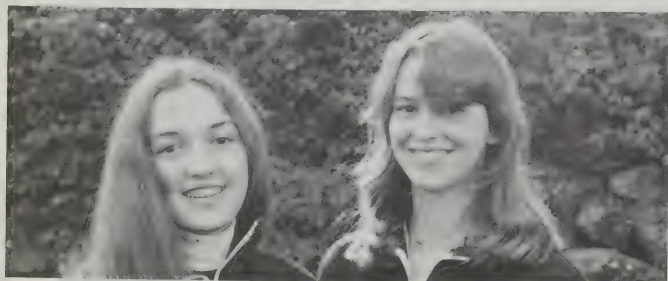

The 1977 season was one of rebuilding for the track team. Faced with the loss of last year's coach and graduating Seniors, the team struggled to stay together during pre-season training. One of the Aggie's newest teachers, Jack Splaine, volunteered to coach and began whipping the team into shape.

Robin Cole, team captain, along with other members of the team, helped to keep up the spirit of the Rams during this rebuilding season. This year's goal was not just to win, but for all to reach the finish line, no matter how fast or slow they ran. Kay Capozzi, an outstanding sophomore, took a sixth place trophy in the Annual Cape Ann League Meet.

This year's graduating Seniors are pictured at the right. They are from left to right: Lydia Curran, Miki McElhinney, Capt. Robin Cole, and Nancy Perry.

Kneeling L to R: J. Demeule, L. Curran, N. Perry, R. Cole, M. McElhinney, D. Verrington; Standing: D. Gelin, J. Elwell, K. Capozzi, B. Sawyer, D. Turner, J. Hudson, J. McGuiness, K. Shumacker, C. Riley, L. Cole, Coach Splaine.

Varsity Basketball

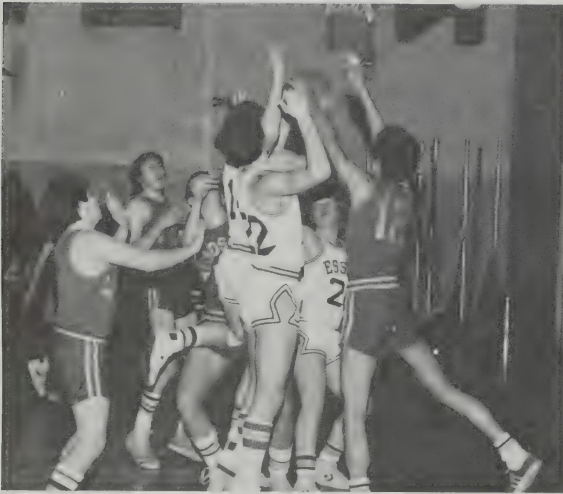

The Men's Basketball Team is an integral part of the sport's program at the Aggie. Although the team is young, they continually strove to succeed against their more experienced opponents. After this year of growth, Coach Raucci expects to have a cohesive, well-balanced team.

Guard Barry Davis, a junior, and his brother, John, a Senior, contributed greatly to the team's defense. Although it was their first year on the team, Seniors Walters, Pickard, and Carr instilled the young team with their spirit and enthusiasm.

Next year's team faces the loss of the following Seniors: M. Melanson, P. Walters, J. Davis, D. Lawrence, S. Carr, and P. Pickard.

Kneeling L to R: P. Walters, D. Germinara, J. Davis, D. Lawrence, B. Davis, S. Carr, J. Demeule, Standing: R. Albert, K. Schumacher, J. Hebert, M. Ambrose, D. Rainville, R. Welch, P. Pickard, M. Melanson, Coach Raucci

Women's Basketball

The 1977-78 basketball season was only the second official year for the women's team at the Aggie. With the aid of Coach Johnson, the girls have been working to build and strengthen their team.

Even with defeat looming on the scoreboard, the team continued playing its hardest. Their determination and spirit never diminished. Everyone wanted to win!

Sophomore, Beverly Denault, scored often throughout the season, and Miki McElhinney, with her expert ball handling and outside shot, helped pull the team through many a tough game.

Next year's team faces the loss of the following Seniors: M. Sessa, M. McElhinney, E. Pelletier, L. Doucette, and J. Lloyd.

Kneeling L to R: J. Lloyd, E. Pelletier, M. McElhinney, S. Carpenter, L. Doucette; Standing: Coach Johnson, L. Saunders, D. Height, K. Goodwin, L. Cole, P. Bruno, B. Denault, L. Rygielski, J. C. Chait

People And Pastimes

There is no time like
the present to reach
out — take someone's
hand.

There is Love and Laughter
Waiting just around the
bend —

And the only way to
get there is to go with
a friend.

Faculty

We, the Class of 1978, would like to thank the faculty here at the Aggie for their dedication and efforts on our behalf. It is hard for students to sometimes realize, much less appreciate, teachers and the job they do. But now, after four years, it is time to say to the faculty what has been put off long enough. That is, very simply- Thank you.

One And Only You

Every single blade of grass
And every flake of snow
Is just a wee bit different
There's no two alike, you know.
From something small like grains of sand,
To that gigantic star,
All were made with this in mind:
To be just what they are!
How foolish, then, to imitate,
How useless to pretend,
Since each one of us comes from a mind
Whose ideas never end.
There'll only be just one of me
To show what I can do,
And you should, likewise, feel quite proud
There's only one of you.

Senior Prom

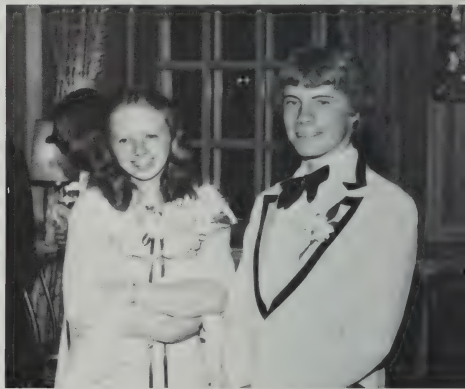

March 31, 1978

This year's Senior Prom was held at The Castle in Ipswich. Amid the splendor of this enchanting setting, Seniors and their dates banqueted on a fine meal, socialized with their friends, and spent many lively hours dancing to the music of Rob Court's band, The Green Change.

The selection of a Prom Queen and Her Court enhanced this year's prom. Acting as master of ceremonies, Bob Wendall, presented roses to the winners who were selected by a vote of the faculty wives. Pictured below is this year's Prom Queen, Miki McElhinney, and her Court, Grace Enos, Linda Doucette, Yetti Frenkel, and Carol Tillberg.

A special thanks for this lovely affair and, in fact, all of the Senior class activities of the year, must be given to the two class advisors, Dick Emerson and Ed White. With their untiring help and guidance, this year, and especially this evening, will find a special place in the memories of all.

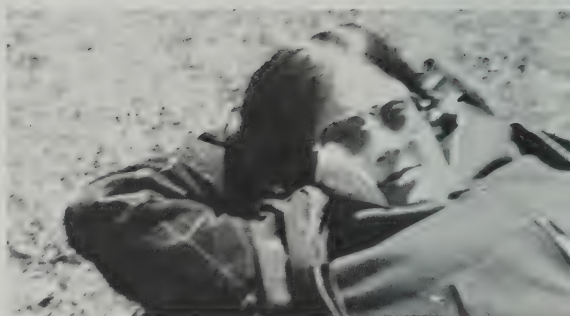

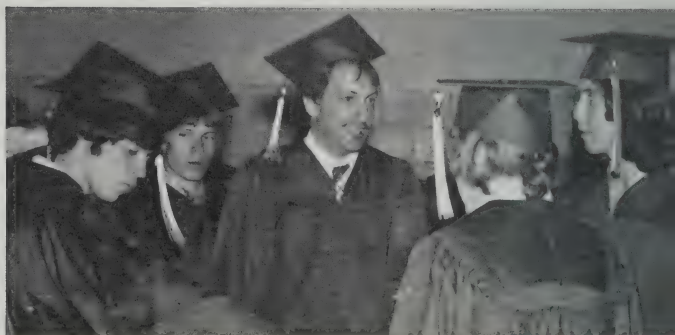

Last Week Of Classes

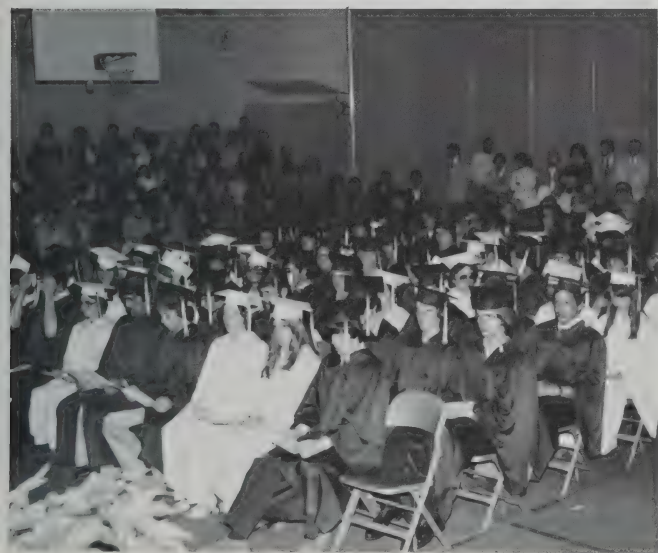

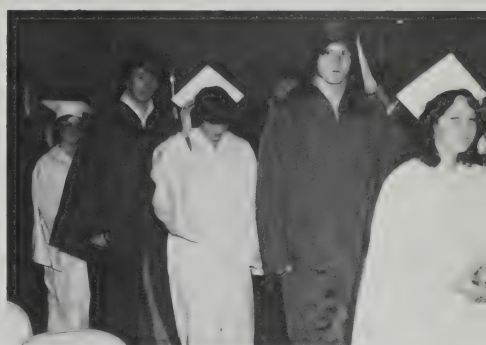

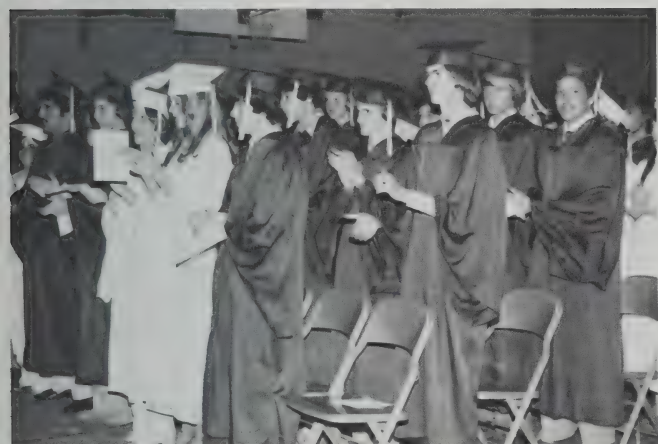

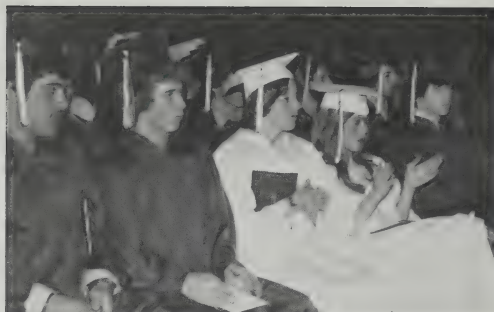

Graduation '78

On the evening of April 12th, members of the Senior class, dressed in caps and gowns of the traditional school colors - green and white, marched solemnly into the Alumni Memorial Gymnasium for the graduation ceremony. Secretary of Education, Paul Parks, honored the school with the keynote address to the graduating class. The student speakers included Shirley Lincicum and Debbie Godjikian. A resounding cheer echoed through the gym as the Seniors received their diplomas from the Chairman of the Board of Trustees, Nicholas A. Rizzo.
